Collection date: 14.12.2023
The subscription was made by: customer

Sample No	Sample identification				
38876	BRAINMAX ENERGY MAGNESIUM, capsule food supplement				
Parameter	unit	sample no.: 38876	NM	Identification of the SOP test method	Acre
Magnesium	mg/tablet	218,2	20%	ICP 04B:ČSN EN ISO 11885,ČSN 56 0065 (1)	A

Note:

The results of the analyzes refer to the sample as received.

The information given in the sample label was taken from the customer, the Testing Laboratory is not responsible for it.

To determine metals, the sample was mineralized with nitric acid after burning in a furnace at 450°C.

1 tablet: 1.0311 g; results in mg/tablet

The number next to the test method designation indicates the workplace of LABTECH s.r.o., where the parameter was determined: 1 - Test laboratory Brno, Polní 340/23, 639 00 Brno; 2 - Testing laboratory Paskov, Rudé Armády 637, 739 21 Paskov; 4 - Klatovy Hygiene Laboratory, Pod Nemocnicí 683, 339 01 Klatovy, 5 - ÚNS Kutná Hora Laboratory, Vítězná 422, 284 03 Kutná Hora.

Measurement uncertainty (NM) is defined as the expanded measurement uncertainty at the 95% significance level with the expansion coefficient $k=2$ and does not include sampling uncertainty. Uncertainty is expressed in accordance with EA-4/16. Uncertainty does not apply to result values below the lower and upper limit of determinability Information "Akr" distinguishes standard operating procedures (SOP) within the scope of accreditation (A), procedures outside the scope of accreditation are marked (N).

Examinations with applied flexible scope of accreditation are marked by FRA. Tests within the scope of accreditation carried out in another laboratory as subcontractors are marked with SA.

Exam results only apply to the subjects listed above.

The protocol does not replace other documents, e.g. of an administrative nature and state expert supervision.

This protocol may only be reproduced in its entirety, otherwise only with the written consent of the laboratory.

Protocol issued:
29.1.2024

Ing. Hana Nebeska
deputy head of the Hygienic Laboratory in Klatovy
